

## **Books We Love**

~ From Carol & Holle Plaehn ~

***Anne of Green Gables, Anne of Avonlea, and Anne of the Island*** by Lucy Maud Montgomery  
These three books are written by a Canadian author years ago. Her characterizations are priceless; all the people are memorable. Written as books for children, they can be appreciated by adults who know people like the ones depicted in her books. Carol & Holle were able to visit Montgomery's house of Green Gables in Nova Scotia at one time even!

***The Boys in the Boat*** by Daniel James Brown  
A story of the University of Washington's crew team who competed in the 1936 Berlin Olympics. Masterfully written about young men from our area who learned about teamwork and competition by working hard.

***Kneeling in Bethlehem*** and ***Kneeling in Jerusalem***, by Ann Weems  
Two books of fantastic poetry.
