

EVERYDAY MICRO ACTIONS

WITH THE HOPE OF EMPOWERING AND ENCOURAGING OUR CHURCH FAMILY DURING THESE TERRIFYING AND DIFFICULT TIMES, THE ANTI-RACISM COMMITTEE IS SHARING 7 IDEAS FOR RESISTANCE EVERY FIRST AND THIRD SUNDAY SERVICE. THESE ARE EVERYDAY MICRO ACTIONS WE CAN TAKE THAT COLLECTIVELY MAKE A HUGE IMPACT IN OUR COMMUNITY.

01

DONATE: [Tacoma Mutual Aid](#) is asking for donations for those impacted by the flooding in the area, and for our houseless neighbors (especially in preparation for the first freeze of the winter).

They are looking for tents, tarps, weatherproof shoes, sleeping bags, hand and foot warmers, 1lb propane tanks, lanterns and headlamps, and waterproof bags. Please drop off at King's Books during their regular business hours.

02

SHARE: Have you or do you know someone who has been impacted by or displaced by the extreme weather conditions we're currently in? 211 is extending their hours and partnering with AirBnB to provide emergency housing support. To learn more, [go to their website](#).

To find resources any time, text WAOD at 898-211 OR go to Search.wa211.org

03

DONATE: If you are looking to financially support communities displaced by the flooding, consider donating to Auburn mutual aid. They are currently supporting Latinx and Afghan communities in Auburn and Pacific, and are looking for donations ranging from culturally relevant meals to grocery gift cards. They are also looking to start work parties to help clean up after the flooding.

To learn how to donate or participate in clean-up efforts, follow [Auburn Mutual Aid](#) on Instagram.

04

DONATE: The flooding in Western WA has significantly impacted local farmers, their incomes and livelihoods, and their farmlands. [Attached HERE](#) is a list of local farms that you can donate to to support them during these life-changing losses. Please consider making meaningful contributions to one or several of these local farms. And of course, feel free to share widely!

05

SHARE & TAKE ACTION: LULAC, the League of United Latin American Citizens, has launched a portal where people can report immigration enforcement misconduct so that the agents can be held accountable. The hope is that any witness can document incidents securely and anonymously. To learn more about how to document with LULAC, or just to learn more about the advocacy organization, [follow this link](#).

NEED TO KNOW & TAKE ACTION: "The House of Representatives just passed a bill that would subject immigrant children to invasive bodily searches and keep them in detention instead of releasing them to their families." (ACLU)

H.R. 4371, also known as the "Kayla Hamilton Act," passed on Dec. 16 and has now moved to the Senate for a vote. This bill was presented as an anti-trafficking bill that claims safety for all. However, the bill will physically, emotionally and psychologically endanger unaccompanied immigrant children. Call on our senators and make sure they do not allow this bill to continue! [Learn how HERE](#).

07

NEED TO KNOW & TAKE ACTION: On Dec. 17, the House of Representatives has passed H.R. 3492 "Protect Children's Innocence Act," which bans gender-affirming care, criminalizing trans youth accessing gender affirming care and medical professionals offering life-saving care. The bill is riddled with transphobia and inaccurate and misleading data under the guise of protecting youth.

Take action by calling on your senators to ensure that this bill does not get passed! [Learn how HERE](#).
