

Inter-Church July 12 Lunch n Share at the Bryant Neighborhood Center
on July 12th @ 12 noon.

Please let us know if folks from your church are attending this **Lunch n Share**.

Who: We are followers of Jesus drawn together to serve the least among us with love. We want justice for those being systematically marginalized or outright persecuted in our country.

What: A Lunch is being provided so that churches in the Tacoma area can come together around love and Justice for the those struggling to find it.

Why: This lunch on July 12th is an invitation to those in diverse Tacoma area churches who are attempting to follow the gospel message of loving our neighbor. What is possible if we listen together to God's word for us; to be encouraged and inspired by each other?
